Re: Letter of support for Elizabeth Cobacho

Dear Sir or Madam,

I am pleased to be able to provide this letter of support for Ms. Elizabeth Cobacho and recommend her for any position as an English Teacher or Curriculum Consultant.

From 2011 to 2015, Ms. Elizabeth Cobacho has been a valuable asset of the Pilot Cadet Wing in Al Ain, UAE. In her instructional role, she has earned the respect and trust of our client, employees and students alike.

As Liz's direct supervisor for five years I found her extremely professional in all aspects of her duties. Liz has always been a very independent and reliable employee who is able to adapt to the constant changes involved in meeting the needs of the client. Her duties as English Teacher included, but were not limited to, providing English instruction to students of all skill levels, constructing pacing guides, writing curriculum plans and testing language skill levels of students. Her ability to identify student's speaking levels accurately is a great asset to any instructional team.

Ms. Elizabeth Cobacho tenacity and professional commitment will ensure efficient delivery of any curriculum. Also, she is very skilled in providing professional development or training when called upon to do so.

In short, I strongly recommend Ms. Elizabeth Cobacho for any English teaching or Curriculum Support position.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dr. Alan Wark".
